### Elden Ring Features Key:

A Wide Array of Gameplay Experience It's a game based on action RPG elements such as battles and character developement. It's also a special game where battles are split between real time, turn-by-turn control over the entire battlefield. When playing online, you can meet people with just about any experience level.  
A Simple but Intense Control System With a simple control system you won't feel overwhelmed in the battle while still being able to create a unique action.  
A Comprehensive Particle System The Land Between is a world with many unique elements, and the particle system - during battles it gives a realistic sense of a variety of terrain such as the gentle vegetation of the fields and the dank and cold bowels of dungeons.  
An Intense Online System You can meet up with other players online, and start planning your strategy together. No single player will be left out.  
No In-App Purchases No advertisements or other pay-for-play situations. All of the extra features are free and are included in the purchase price.  
Costumes and Powerful Hero Embroideries are A Possibility Challenge your enemies with awesome costumes or powerful embroideries. Customize your appearance, equip your strength, and take on both vie.

### Wondrously Evolving Fantasy World

The Lands Between, the vast world that you travel to in "Advent Children" is completely different from the other worlds of the Lands Between. There are over 1000 different villages with designs like towns, castles, and more, all standing as destinations of your travel and action.

### Elden Lord Scale of Metastasis

In order to find a way out of the Lands Between, you'll have to fight bosses and other dangerous creatures, as well as build the power and strength of your magic to find a way out of the chaos. But in order to defeat the world you have to reach the scale of metastasis. You'll have to perform this act of following your every wish.

1. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. As the protagonist in the Lands Between, you will follow a familiar pattern of progression. Become a lord, obtain the Elden Ring, go to the ruler's palace, recover the ring, and repeat. You may take on the role of an Elden Lord as you role-play the game. 2. You can freely combine weapons, armor, and magic that you equip. Select any combination from over 100,000 possible combinations and freely build your armor and weapons. 3. An epic drama in which the various thoughts of the characters intersect. If you accept the contract drawn up by the ruler, you must accompany the princess who is being forced to marry you to the capital, where the ruler resides. While traversing the Lands Between, along the way you will encounter the princess's past and your thoughts will intersect, as you listen to her and develop your own story. 4. An online element that allows you to feel the presence of others. The online element allows you to play the game while freely connecting with others. If an online game is open, adventurers who do not normally play online can connect and play with others as well. If a game is currently open, you can play together with others even if there are many players playing and no one is online. Game features ♦ Content CUSTOMIZED PROSPECT GRADE Customize your own gender, face, and appearance as well as your clothes and the way you wield your weapons.
